

HiLux

A man in a light blue shirt and jeans is jumping joyfully in the air, holding a large blue monkey plush toy. He is in front of a brightly lit fair booth at night. The booth has signs that say "LAUGHING" and "CLOWNS". To the left, there is a pink booth with a sign that says "FAIRY FLOSS". The scene is illuminated by string lights and the booth lights, creating a festive atmosphere.

OH WHAT A FEELING

You'll feel it with every drive. In every twist and every turn. It's our unwavering commitment to move you, not only today, but well into tomorrow as we relentlessly re-imagine the future of mobility. With our eyes on the horizon, we're committed to creating a future where all of humankind is empowered with the freedom to move.

Legendary strength

With over 40 years of hard-working heritage, HiLux has a legendary reputation for uncompromising partnership for those ready to get the job done and be equally ready when it's time to play. From the HiLux WorkMate to the HiLux Rugged X, every HiLux is built to be as tough as the Australian Outback, yet superbly refined for any family adventure or occasion.

Unmistakably bold

The bold, cutting edge exterior lines of HiLux create a truly powerful yet contemporary presence, whether you're on the worksite or out on the road. With the proven combination of on-road comfort and work-hardened capability, HiLux delivers the ultimate in style strength and choice to suit your needs.

work and play

Ready when you are

The latest technology and advanced creature comforts in HiLux help create the perfect space to work, travel and play, including smart entry and start system on SR5, Rogue and Rugged X.

Enjoy seamless connectivity using Apple CarPlay^{®4} and Android Auto^{™,4} via the 8" colour touchscreen display (speak to your dealer about device compatibility). Satellite navigation⁸ and Digital Radio⁸ (DAB) are standard on SR5, Rogue and Rugged X and optional on SR (4x4 Double-Cab Pick-Up variants only).

The 4.2" Multi Information Display (MID) provides essential driving information where you need it and you'll appreciate the warmth of heated front seats in Rogue, Rugged X and as an option on SR5 (Pick-Up only).

Built for action

On the road, off-road, on the job or wherever you steer your HiLux, you can be confident it'll be up to the task with an inspired range of well-considered features and innovations. The Motorised Roller Cover with resin sailplane sports bar on Rogue provides comprehensive water and dust sealing to keep your tools and gear secure, clean and dry. The tailgate can also open independently of the cover then centrally lock again. You'll have everything in place to make every day great with HiLux.

Powerful performers

Outstanding performance is integral to the HiLux DNA and helps deliver the strength and reliability you need when the going gets tough.

The 2.8L turbo diesel (not available on WorkMate) produces 150kW of highly responsive power, along with an impressive 500Nm of torque with the 6-speed automatic transmission and 420Nm with the 6-speed manual transmission.

WorkMate is available in a choice of either 2.7L petrol or 2.4L turbo diesel engines. The petrol engine delivers 122kW of power with 245Nm of torque and the turbo diesel produces 110kW of power with 400Nm of torque to get you around town or navigating the worksite. When it comes to shouldering the load, all HiLux 4x4 models can tow up to 3,500kg braked towing capacity and 4x2 HiLux diesel up to 2,800kg braked towing capacity.²

The off-road performance of the HiLux Rugged X, is brought to life with the hoopless steel front bull bar, an integrated LED lightbar and spread beam driving lights to light the path ahead. The 5mm high-tensile alloy bash plate will have you even more prepared for off-road action to take on the rugged Australian terrain.

Strong. Smart. Safe.

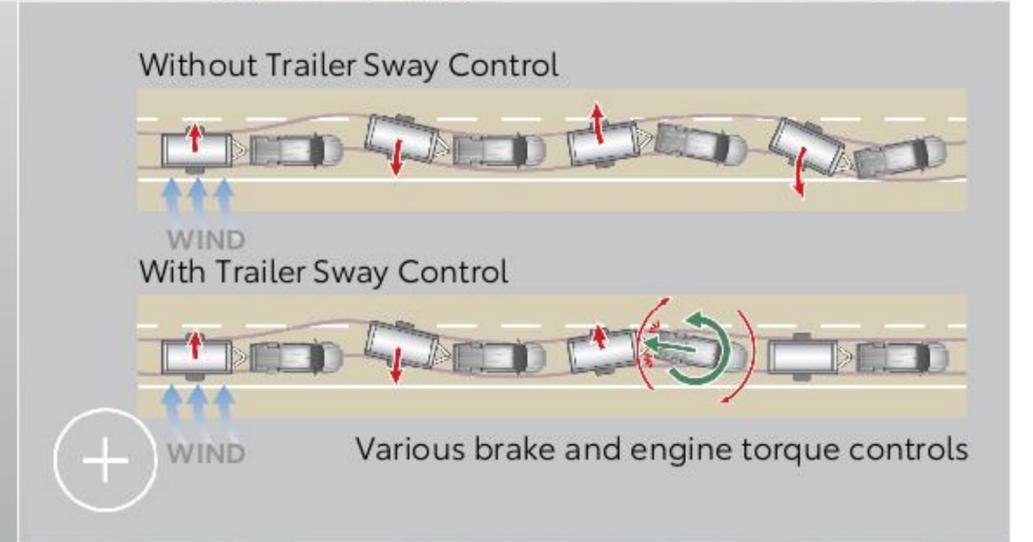

Every HiLux comes with the reassuring sense of protection of advanced safety features.

7 SRS Airbags are fitted as standard. The impact absorbing body is built to reduce impact in a collision and provide greater body strength. The steering and suspension are tuned to improve ride comfort and handling on rough roads.

In Double-Cab models, you'll find ISOFIX anchors for 2 child restraints in the rear seat.

On SR 4x4 Double-Cab automatic, SR5 4x4, Rogue and Rugged X, Downhill Assist Control³ (DAC) helps to prevent excessive speed and provide greater control on downhill slopes when activated.

Plus, you'll have the added assistance of Toyota Safety Sense³ (TSS) on every HiLux.

Toyota Safety Sense

At Toyota, we believe it's simply not enough to say "safety comes first". That's why we developed Toyota Safety Sense³ (TSS).

HiLux models include many TSS active safety features to help support safe driving and help protect you and your passengers.
